Dear Ms. Young:

Reference is made to your e-mail correspondence received June 3, 2019, in which you provided additional information to facilitate a search for records responsive to your April 4, 2019, Freedom of Information Law request for copies of e-mails and attachments sent or received from December 1, 2018, to the date of your request, either sent or received by an e-mail address ending in "@adl.org" and containing one or more of the various terms and phrases identified in your request. In your recent e-mail correspondence, you have identified the following custodians or e-mail addresses for the communications you seek: George P. Beach II (Superintendent), the Office Assistant(s) to the Superintendent, and EJarvis@adl.org.

A diligent search of our files failed to locate any records responsive to your request. Pursuant to Public Officers Law § 89(4)(a), any person denied access to a record may appeal that determination within thirty days. Any appeals must be in writing and mailed to the Records Appeal Officer, Administration, at the below address.

Sincerely,

Major Frank Keyser
Records Access Officer
Central Records Bureau
